Alexander Wegerer, LL.M.

**CEO MANZ Solutions
Member of the Management Board**

Alexander Wegerer, LL.M., was born in 1968, is married and studied law at the University of Vienna, serving his obligatory year of practice at court before completing the "Postgraduate Course on Law and Information Technology" at the University of Vienna.

After a year as Online Manager of the legal database "RDB Rechtsdatenbank GmbH", where he was responsible for integrating partner databases and for introducing SAP, he moved to "onlaw internet technologie GmbH", a subsidiary of "Manz'sche Verlags- und Universitätsbuchhandlung GmbH". There he was in charge of business process modeling and specifications for the new "RDB Rechtsdatenbank" as well as for the planning and implementation of the billing system. He was also project manager for server infrastructure and CTO.

In 2003 he became onlaw's CEO. On January 1, 2010, onlaw changed its trade name to Manz Solutions GmbH under his aegis.

Since January 1, 2010, Alexander Wegerer has also been a Member of the Management Board of Manz'sche Verlags- und Universitätsbuchhandlung GmbH, where he is in charge of content production and publication in print and online media.
